HEARING OF THE CITIZENS/CORRESPONDENCE AND PETITIONS:

Mayor Tagliarini asked any member of the public wishing to be heard to come forward and to state their name and address.

Marilyn Townes
609 S. Atlantic Avenue

Ms. Townes came to the Council regarding the dangerous area on South Atlantic Avenue in particular the curve between Chilton and Cashel. There have been numerous accidents there. I am proposing a safety measure be put in place. The Blinking light on Cambridge is an option. Ms. Townes already spoke to Sgt. Lloyd, who has been very helpful. There is actually a study of all accidents that happened there in the last 5 years. Worst occurs at night. There have been police cars there watching speeders.

Ms. Townes submitted photos of accidents and a letter from owner of vehicle who was hit there by intoxicated driver.

Mayor Tagliarini stated we will wait for Sgt. Lloyd's report. The Township Manager will present it to Council and Ms. Reycraft will get in touch with you.

Joe Raymond
319 Elmwood drive

Mr. Raymond asked for a timeline for Beach Road reconstruction.

Ms. Reycraft stated we have plans coming in for the beach and the seawall.

Councilman Cannon stated on Lakeshore Drive we are raising the road the stopping the flooding in the spring.

Kissy Osbourne
109 County Road

Mrs. Osbourne stated she saw that Sgt. Lloyd put up the speeding boxes on County Road and

would like to know the status. My concern she received a phone call that the ticket given to the person who got into the accident at her house could not be reversed with mandatory court appearance. All he was issued was a fine, it was more than careless it was reckless. She is very happy to see the resolution for Mandatory Court Appearance on County Road and So. Atlantic.

Ms. Reycraft stated she did not receive a report yet from Chief Powers or Sgt. Lloyd.

Eric Friedman
71 Juniper Place

Mr. Friedman presented to Council the 3rd Annual Relay for Life for American Cancer Society. It is an overnight fundraiser at the high school which helps raise awareness and shows support for the members of our community who have survived cancer, going through cancer treatment, as well as the caregivers who support those survivors. For the past two years our community has raised the most money in Monmouth County, New Jersey. Mr. Friedman explained how the money is used to provide car trips to treatments, wigs and cosmetics. This year's event is June 12th to 13th.

There being no other member of the public wishing to be heard, Mayor Tagliarini declared the Hearing of the Citizens closed.

Councilwoman Montone made a motion to adjourn, seconded by Councilman Martucci and unanimously concurred by Council.
