WHEREAS, part of the “Assessment Demonstration Program”, municipalities are required to perform an exterior and interior inspection of all properties over a 5-year inspection cycle in an effort to increase the accuracy of annual assessments; and

WHEREAS, in an effort to address the requirements of the “Assessment Demonstration Program” municipalities must hire an outside vendor to perform the interior and exterior inspections annually over a five-year period; and

WHEREAS, within a five-year period all properties will have both exterior and interior inspections performed for the purpose of gathering property data to be used by the Assessor to accurately ascertain the market value of those properties.

WHEREAS, on March 15, 2019, the Requests for Proposals were received without an open public announcement being made; and

WHEREAS, in or around April of 2019, the Township Assessor conferred with the Township Counsel wherein a recommendation was made to resolicit services pursuant N.J.S.A. 40A:11-13.2 in order to avoid potentially being in violation of the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq.; and

WHEREAS, proposals were received on May 15, 2019 from two (2) proposers; and
WHEREAS, allegations of impropriety in the RFP process were received by the Township; and
